## Attainment of PSO and CO

Department of Zoology  
Session 2022-2023

Attainment of Program Specific Outcomes (PSOs) rely on the final semester results, pursuance of Higher Education and employability of our students after the completion of the Program. However, the Course Outcomes (COs) are measured through continuous evaluation through internal and external assessment. For a robust and transparent process of measuring the attainment of POs and PSOs, we adopted the following rubrics.

### Programme Specific Outcome Rubric

#### Qualitative measure of attainment of PSO

Category	Average	Above average	good	Very good	Excellent	Outstanding	Target
PSO	CGPA 5	CGPA 6	CGPA 7	CGPA 8	CGPA 9	CGPA 10	Pursuing Higher Education or Employed
