Sub:- Sale of national flags ' Har Ghar Tiranga 2023 ' Campaign through Post Offices under "Azadi Ka Amrit Mohotsav (AKAM) 2.0".

Sir/Madam,

Under the aegis of Azadi Ka Amrit Mahotsav (AKAM) a campaign ' Har Ghar Tiranga ' was launched in 2022 by the Government of India to encourage the citizens to hoist the National flag of India in their homes to instill a fueling of patriotism in the hearts of people and reminisce the contribution of those who tirelessly worked for nation building.

This year also it has been decided by the Govt. of India that the ' Har Ghar Tiranga ' campaign will be organized by the people on India's Independence Day with same zeal and patriotism from 13th to 15th August, 2023.

On the occasion, we are going to sell National flag through our Post offices in bulk and retail to facilitate the citizen of India in observation of Har Ghar Tiranga. The rate of flags is Rs.25/- per piece.

In view of above, I request you kindly to place your demand of such flags for offices under your control, well in advance, so that we can supply the requisite numbers of National flags on time.

With Regards.

Sincerely,
