De-weeding and plastic cleaning drive

Date: 13/07/2022

Report:

A drive was conducted to clean the plastic waste materials and de-weeding of growing saplings by the volunteers of NSS, Goalpara College Unit at College Plantation site on 13th July 2022. Total of 20 volunteers along with PO Dr. Jugabrat Das took the initiative to clean the base of the already planted saplings in the Goalpara College garden and removed all the weeds from the growing plants. The plastic materials found on the plantation site were also eradicated.
