### **Global Hand washing and ODF plus programme at Goroimari Village** **of Goalpara district**

**Date: 17/11/2021**

**Report:**

Ten volunteers of NSS, Goalpara College unit completed a Survey and campaign to create awareness on Global hand washing and ODF plus programme at Goroimari village of Goalpara district, Goalpara. The village is mostly dominated by Rabha people. A total of 100 households were surveyed with various parameters like source of earning, qualification, presence of latrine, type of latrine, source of drinking water etc. The volunteers team also demonstrated to the villagers about how to wash hands to prevent transmission of pathogens and other germs which may cause disease to them. Few households were found in this survey with open defecation practice. This programme was organized as per request from the Chief Engineer (PHE) Sanitation, Assam and in response to the letter No. GU/NSS/SBM/G/ODF/2021/4999 dated 06/10/2021 of Director, NSS, Gauhati University. The final report was submitted to the director of NSS, GU cell for further action. The team members were:
