Message from Principal

Once liberated from the clutches of foreign rule pioneers of freedom struggle from western Assam took the initiative of establishing the College in 1950's. Great values enshrined in our Constitution and visions of Gandhi and Nehru have been inspiring the College since its inception. Former principal and noted intellectual Dr. Mahendra Bora imagined the College motto 'Cross is the Crown', signifying that sacrifice and suffering bring success and achievements. While ideas are important the college has through its vision and mission, underlined the fact that it is only through people that the ideas gain relevance, or else they remain abstract and very often sadly irrelevant. Considering the fact that the world is undergoing rapid changes in the knowledge landscape, the National Education Policies 2020 has been formulated to harness full human potential and develop well-rounded competent individual. Such education should have provision for lifelong learning, awareness of new areas of knowledge, skilling to meet individual demands for industrial development, multidisciplinary studies to develop a comprehensive view of issues from a realistic paradigm, holistic approach to education, rootedness to the cultural ethos and moral values, cultivating scientific temperament, critical thinking and problems-solving attitude. Goalpara College is taking step to bring the desired transformation in higher education by implementing FYUGP 2020 from the academic session 2023-24.

Our journey is not just about teaching the curriculum rather it is about holistic development of all our students. Our highly acclaimed faculties trained at leading universities of the country not only deliver the curriculum but also take active part in overall growth of the personality of the students. Alongside its rigorous academic standards the college maintains a vibrant tradition of co-curricular activities. Our students form and develop their academic ideas along with active engagement in the field of NSS, NCC, sports, theatre, debate, music and fine arts. The college has the state of the art ICT enabled classrooms, computer laboratories, air conditioned seminar hall with LCD projectors, we have a modern library with thousand of books, journal including e-journals and is connected with INFLIBNET, NDLS. Besides, through distance and open learning thousands of students has been pursuing education up to PG level under GU, CDOE under Tezpur University and KKHSOU. Goalpara College is known for enforcing strict discipline in class room, campus and hostels. Many new initiatives have been taken up by the college authority to update its infrastructure. These include enhancing the facilities of online education through digital mode, opening of third hostel for girls, five new digital class rooms, up gradations of college field etc. In collaboration with District Administration and financial support from NEC we have installed a Community Radio Station in the college campus. I am glad to announce that college has a Institutional Innovation Council (IIC) that inculcates innovative and prolific ideas among students which got due recognition from the Ministry of Education, Govt. of India. Moreover, the college has been regularly conducting Career counselling programmes including Civil Services Preparatory Workshop since 2020. The college has undergone NAAC Peer Team Visit twice in last one year. Total six educationists including VC of reputed University, two eminent professors and two principals of country's reputed colleges has adjudicated A+ grade with 3.41 CGPA. The assessment has redoubled our vigour and college march towards excellence has been continuing. I urge one and all to stay focused and connected to our goal ahead adding more laurels to the brand Goalpara College.

Brief History of Goalpara College

On August 8, 1955, the then-visionaries of western Assam founded a college in the historic town of Goalpara on the south bank of Brahmaputra in an approximately 35.28-acre expanse of lush green land with the noble intention of catering the requirements of higher education of the aspiring youths of the peripheral area. Under the leadership of freedom fighter, first MLA of Goalpara Khagendranath Nath and eminent educationist Wazuddin Ahmed the Arts stream flourished rapidly and eventually in 1965, the Science stream was introduced. During the journey the college produced a galaxy of prolific alumni who have been contributing in different parts of the world. In 2015, the much-awaited Commerce stream was added to the oldest college of the region. With three streams having both honours and regular courses the college has been attracting thousands of students from various parts of the state including Meghalaya and West Bengal. The twice NAAC assessed, ISO 9001:2015 certified college participates in NIRF ranking. It offers 18 programs and has a student-strength of 2346. There are 73 members of teaching staff and 37 employees.

The gender sensitive, divyang friendly, green campus of the college developed state-of-the-art infrastructure for teaching learning with 34 ICT enabled classrooms, 8 smart classrooms, advanced Biotech Hub, GIS laboratory, sophisticated language laboratory, 3 computer laboratories, Community Radio Station (CRS) and a fully digital library. Besides, it has a playground, courts for badminton, volleyball and basketball, sophisticated gymnasium, three hostels and two canteens. Goalpara College has three centres of distance learning CDOE-GU, KKSHOU, CDOE-Tezpur University which offer degree and diploma courses in both UG and PG programs. Goalpara College has concluded series of MoU and collaborated with different institutions and agencies for student-teachers exchange and forenhancing research capability. College has been receiving grants from UGC, DBT, DST, ICPR and other agencies for advanced research and development. With ever changing academic and technological change the College is scaling up itself. College is fully prepared to implement NEP 2020 from the coming academic session and has taken up a series of initiatives including prioritising Indian knowledge system, performing arts and similar contours.

FYUGP Structure under NEP

Goalpara College, Goalpara
Affiliated to Gauhati University

Introduction:

- The **Four-Year Undergraduate Programme (FYUGP)** of Gauhati University is as per UGC's Curricular Framework, published in November 2022.
- The course structure of FYUGP is built on the Choice-Based Credit System (CBCS).
- Though, the FYUGP is basically a CBCS, it is radically different from the courses running under CBCS. Namely, it does not differentiate between so-called *Honours* and *Pass* courses existing under CBCS. Basically, the FYUGP is based on the system of education under *Liberal Arts*.

Progression:

FYUGP Degrees and Course Structures:

- The FYUGP at GU is designed to offer **two types** of Bachelor's Degrees to the students at the end of the successful completion of the programme-
 - (i) Bachelor's Degree in a Stream and
 - (ii) Bachelor's Degree in a Discipline.

The word stream here refers to Arts, Science, Commerce and Management. In case of a degree in a stream, the student studies a multitude of different subjects, usually mixing different disciplines, which leads to a truly multidisciplinary degree.

While in case of a degree in a discipline, the student is confined to a certain sets of disciplines. However, in both cases, the student studies equal number of courses (i.e. papers) so there is no weightage of any kind to either of the two types of degrees.

- For both the types of degree programmes, course-wise, the whole FYUGP is divided into two parts-
 - (i) Core Courses and
 - (ii) Common Courses.

Core Courses:

- (i) Major and
- (ii) Minor

Common Courses:

- (i) Multi-disciplinary Course (MDC)- Sem I, Sem II and Sem III
- (ii) Ability Enhancement Course (AEC)- Sem I, Sem II, Sem V and Sem VI
- (iii) Skill Enhancement Course (SEC)- Sem I, Sem II and Sem III
- (iv) Value Added Course (VAC)- Sem I, Sem II and Sem IV
- (v) Internship (INT)- during Sem III to Sem VI

The Fourth Year

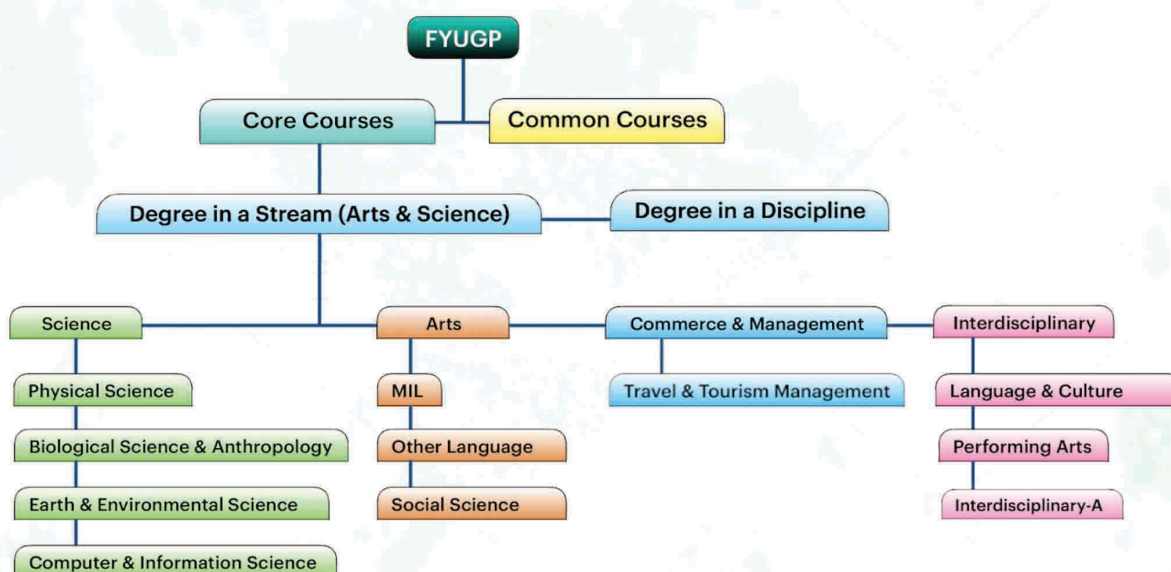

- In the FYUGP, the fourth year is at par with the first year or a Master's programme, as a student can directly take admission into the second year of a Master's programme after the successful completion of the FYUGP.
- In the fourth year, a student has to complete one **compulsory paper** on Research Methodology (REM) in the Semester VII, which is a 4-credit theory paper. The rest of courses will consist of Advanced Core Courses and a Dissertation.

Subject Details: Core Subjects

All the subjects are broadly divided into four streams. They are:

1. Arts
2. Science
3. Commerce & Management
4. Interdisciplinary

**KKHSOU STUDY CENTRE :**

The College has a study centre of KKHSOU, which was established by the Govt. of Assam in 2006 and recognized by the Distance Education Council (DEC), New Delhi. The main purpose, of the university is to promote education among the unreached, downtrodden and backward sections of the society through Open and Distance Learning (ODL) at very minimum fees. Presently, the study centre is offering the following courses -

(i) B.A. (ii) B.COM (iii) BBA (iv) BCA (v) MA in Assamese, Education, Political Science and English

Students who have passed 10+2 stage or Bachelor Preparatory Programme (BPP) of KKHSOU are eligible for admission in the above courses. Admission for BBP are held twice in a year and students who have not even passed HSLC can be admitted to BPP. Classes of KKHSOU are held every Sunday. KKHSOU will shortly launch its various professional Diploma and Certificate courses. Students of conventional B.A., B.Sc. Courses can also simultaneously take up their preferred courses of KKHSOU. This convergence of conventional and ODL (Open and Distance Learning) system will greatly increase the scope of employability of the students. If a student successfully completes his B.A./B.Com/BCA/BBA/B.Sc course with one or two additional degree, diploma or certificate from KKHSOU, his qualification and bargaining power in the job market will be enhanced. From the last two years KKHSOU, is conducting the Primary Teachers' Training Programme (Diploma in Elementary Education). A branch study centre at Goalpara District Jail has been running since 2016 under Goalpara College KKHSOU study centre.

INSTITUTION'S INNOVATION COUNCIL (IIC)

Ministry of Education's Innovation Cell (MIC) launched the Institution's Innovation Council (IIC) program in collaboration with AICTE to systematically foster the culture of Innovation and start-up ecosystem in higher education institutions. The primary goal of this council is to inspire, encourage and nurture the young students for different activities involved in pre-incubation, incubation and making successful startups. MIC has envisioned encouraging creation of 'Institution's Innovation

Meeting on entrepreneurship innovation and Diganta Das receiving letter of appreciation from Dr. Himanta Biswa Sarma, CM of Assam

Council (IICs)' across selected HEIs. A network of these IICs was established to promote innovation in the Institution through multitudinous modes leading to an innovation promotion eco-system in the campuses. Our college have established Institution's Innovation Council (IIC) for promoting different activities related to the innovation, IPR, startup and entrepreneurships. Faculties and students are the members of IIC. The IIC cell conducts quarterly meetings in every quarter to plan the quarterly activities and review quarterly conducted activities. Due to these activities, students get chance to participate in various innovation related initiatives and competition organized by MHRD. Students actively interacts with renowned entrepreneurs and academicians. They get opportunities to nurture their ideas. Goalpara College IIC helps students to experiment latest technologies to get some prototype for building their confidence. Overall students get extremely healthy environment right from ideation to startups. INTERNAL QUALITY ASSURANCE CELL(IQAC)

To ensure continuous all- round improvement of the college, IQAC was constituted in 2004 after the first NAAC accreditation of the institution. The IQAC is continuously working towards the fulfilment of Vision and Mission of the college. Because of the relentless and untiring endeavour of IQAC, the college was accredited by NAAC in 2010 and now the college has submitted the Self Study Report (SSR) and preparing for the next accreditation. IQAC reviews all processes viz. teaching-learning, methodologies, institutional operations by holding meetings periodically. Learning Management System (LMS) is amplified for excellent delivery of educational courses. Transformation of traditional classrooms into ICT-enabled classrooms to access both basic and advanced technologies necessary for skill expansion is prioritized and efforts are made to achieve the same.

IQAC coordinator addressing the Adm & Academic Audit (AAA) Meeting and IQAC conducted students Induction Programme : DEEKSHARAMBH for the newly admitted students

IQAC instils best practices in administrative branch by capacity-building of functionaries. Self-Enhancement Workshops are organised periodically to improve work ethics, data management and stress management skills of staff. 'Deeksharambh'-induction programme and NEP-2020 related activities are latest steps incorporated by IQAC in educational planning. Add-on courses, seminars, workshops and international webinars are conducted to create better opportunities for multidisciplinary learning.

Course implementation by Bloom's Taxonomy, mapping of Course Outcome, Programme Outcome and Programme Specific Outcome are addressed by IQAC at department level. IQAC has conducted holistic audits including Green Audit, Energy Audit and Gender Audit to enhance environmental consciousness and responsibility. IQAC encourages faculty and students for quality publications in Scopus, UGC and Peer Reviewed journals. During last five years, the college has published 100+ research papers and 68 numbers of books/book chapters.

Faculty members are encouraged to apply for research grants and consultancies in institutions like UGC, DBT, ICAR, DRDO and others. IQAC conducts Career counselling involving alumni in college and in adopted village as well. IQAC ensures development and maintenance of institutional database through MIS for enhancing institutional quality.

IQAC has conducted Administrative and Academic Audits. Internal audit members includes members of IQAC. To make effective Quality Culture, all academic reviews and information of concerned departments on academic activities, viz. completion of study programs, unit tests, assignments, seminars, group discussion, education tour and other activities are assessed by Academic Council and IQAC.
